Meet Our New Executive Secretary/Treasurer

The Paxton Chamber of Commerce Board of Directors would like to welcome Kristina Phelan as the new Executive Secretary/Treasurer. Kristina was recently interviewed and hired by Board President Nancy Ecker and Board Member Craig Loschen. Kristina replaced the former Executive Secretary/Treasurer, Diane Rasmus, who resigned from her position as of April 15th.

Kristina and her family recently moved to Paxton from Colville, Washington last summer. Her husband, James, is the Plant Manager at Colmac Coil and they have two boys, Noah and Isaac, who attend Clara Peterson Elementary. Kristina has experience working on a Board of Directors with having held the President and Secretary positions on both a preschool and PTO board back in Washington State. With a degree in English, Kristina's forte is writing and she has experience with publishing and marketing as well.

"I'm excited to work for the Paxton Chamber of Commerce and believe that I will bring some fresh ideas to the group," Phelan said. "I look forward to meeting all of the business owners in town and helping to promote shopping local in Paxton."

DOUG HIGGINS AWARDED PCCA PHARMACIST OF THE MONTH

Doug Higgins of Doug's Compounding Pharmacy, Paxton, IL, has been named Pharmacist of the Month by Professional Compounding Centers of America (PCCA)—a provider of Accreditation Council on Pharmaceutical Education (ACPE)-approved pharmacy compounding training and continuing education programs, fine chemicals, devices and technical consulting headquartered in Houston, TX. Pharmacists are chosen for this honor based on their dedication to quality standards in pharmacy compounding, and for their commitment to their community and patients. Doug Higgins was selected from a field of more than 3,500 independent pharmacists located throughout the U.S. & Canada.

Compounding is the pharmacy method of preparing customized medications tailored to an individual's needs when a commercial medication is not available in the dosage form and strength needed. Many patients are allergic to preservatives or dyes, or are sensitive to standard drug strengths. With a physician's consent, a compounding pharmacist can change the strength of a medication, alter its form to make it easier for the patient to ingest, and add flavor to it to make it more palatable. A compounding pharmacy also can prepare the medication employing several unique delivery systems, such as a troche or lozenge, a lollipop, or a transdermal gel.

Preparing these customized medications allows compounding pharmacists to achieve their ultimate goal: to help the prescriber and patient achieve a more positive therapeutic outcome.

Doug's Compounding Pharmacy is a compounding-only pharmacy providing medications in areas including pain, bio-identical hormone replacement therapy, wound care, hospice, and veterinary medications. Hours of operation are 9-5, Monday through Friday, and 9-12, Saturdays. Doug's Compounding Pharmacy is located at 137 N. Market St., Paxton. For more information, please call Doug and 217-379-3684.

History of the Paxton Area Chamber of Commerce

The Paxton Area Chamber of Commerce is an organization that is dedicated to promoting business and businesses in the Paxton area. The organization joined forces with the Illinois State Chamber of Commerce 68 years ago in 1945. Originally the name of the group was called the Paxton Chamber of Commerce. Since other businesses that are not located in Paxton wanted to join the Paxton Chamber, over the course of time the name was changed to the Paxton Area Chamber of Commerce to include those out of town businesses. Now the organization has a strong membership of 110 members. The Paxton Area Chamber of Commerce members are businesses, organizations, and individuals.

The Chamber has twelve individuals that serve on the Chamber's board, and one part time secretary/treasurer. The board meets the fourth Tuesday of each month, and quarterly meetings are held for the membership as well as an annual meeting. At the board meetings, updates on each committee are discussed, as well as old and new business of the organization.

The members on the Chamber board are President Nancy Ecker, and Vice President Cliff McClure. The board members are Cliff McClure, Royce Baier, Nancy Ecker, Karen Abbe, Don Rasmus, Jim Wesslund, Lori Epps, Jennipher Wilson, Craig Loschen, Pat Harris, and Andy Hudson.
